Okay, so you may end up off the beaten tourist track. But after 25 years of experience, we know the best adventures never take the straight and narrow path. So, what are you waiting for? Get planning, get packing, and get exploring with us.

## Celebrating 25 Years

Robin started our tour company with one wee bus in 1993. Since then we've given over £100,000 in cash and kind to community and environmental projects, shared our favourite places with more than 750,000 passengers, and have departures from Edinburgh, Glasgow, Inverness, London, and Dublin. It's fair to say he's pretty proud and amazed about how far we've come.

## You make your trip your own

We provide the timetable; and along the way you choose where you want to eat, sleep, and which attractions you want to see. So, if you want to stop off and feed a Highland cow or linger longer in a castle courtyard with a glass of wine, you can.

## You have unrivalled access here, there, and everywhere

Unlike those big buses, our small and nimble coaches can go to all sorts of remote places you'd never ever usually get to see. It's like having the mobility of a car with the 'knowledgeability' of a local. And you experience it all with a bunch of folk who like the things you do.

## Your trip is good for communities

To get a real flavour of somewhere, it makes sense to recommend locally owned accommodation and restaurants. And we always try to take you to those smaller places that offer something special and unique. This means you get a more authentic experience, and your trip supports local communities.

## You're in safe, experienced hands

We're not as old as the hills you may be visiting, but we do have 25 years' experience and knowledge of doing what we do for people like yourself.

## Sustainability – it's important to us

The places we visit are part of our history. And we want to preserve the environments we visit, so they can be enjoyed by future generations. This means we have strict policies, and for every ton of carbon we use, we donate £10 to environmental and community projects. Since 2008, we've given £74,667 in cash and £31,971 in kind. We don't do this to make us feel good. We do this because we should.

## Your adventure is guaranteed

You book your trip, you go. Simple as that. We always depart when we say we will, and if anything we do goes wrong during your trip, we'll refund all of your money.

"As legends go, our guide was at the very least, well... legendary! His stories made us laugh and nearly cry at times. Stories and stops with a local touch that made our tour feel like we were part of something. And I guess we are now."

## You'll like our guides

Throw away your guidebooks and turn off that satnav. Our driver-guides know your once-in-a-lifetime trip isn't a checklist of 'must-sees'. It's an experience that blends local stories with epic destinations.

Some of them are history geeks and can tell you who owned every castle in Britain. Others are geologists and know how old all the mountains are. And a few of them are bagpipe-playing-haggis-eating Scots who'll dedicate themselves to making you love their country as much as they do.

So on our tours, they tell laugh-out-loud stories, connect you with historic tales, and immerse you in the legendary music and culture.

And if you're lucky, they may even sing for you.

**Ally Palmer**

"I love to be at the front. Safe in the knowledge there's a team behind me giving me the support I need, allowing me the freedom to do my thing, my way. Outside of work, my dream is to tour round the world on my bike like Mark Beaumont."

**Karen Marr**

"There's an old saying that goes something like this... "Life is not measured by the amount of breaths you take, but by the moments that take your breath away..." That's how we view things here."

**Peter Falconer**

"I have worked for Rabbits for a number of years, I look forward to every season. Being a driver guide is hugely rewarding. Having the opportunity to share our landscape, culture and history with people from around the world. Every day brings something new."

## The Small Print

### The Tour

Our prices cover transport in Rabbie's custom built Mercedes mini-coaches hosted by one of our legendary handpicked guides.

### Meals

We exclude food from the ticket price, because we like to give you choice. We stop either in small villages or at family run country establishments, where there's a choice to suit all budgets and dietary requirements. These places are always chosen for their charm and character to give you a taste of true local hospitality.

### Visitor Attractions

You pay for visitor attractions as you go, which means you can pick which activities you pay for. When you do choose to buy a ticket for a visitor attraction, we've often negotiated some reductions on your behalf.

### Clothing

Because you like time off the bus, we give you opportunities to explore and recommend that you bring along some waterproof clothing and footwear for your tour.

### Prices

We apply discounts to Students, Seniors (60+), and Children (5-15). The 'Prices from' listed are for low season and will be higher at other times of the year.

### Children

Children aged five and over are welcome on our tours. Unfortunately, we don't carry children under the age of five.

### Terms and Conditions

We have a cancellation period of three days for one day tours and 21 days for longer tours. If cancelled outside this period, we'll give you a full refund minus a 10% admin charge. If you cancel inside this period, refunds are at our discretion.

We reserve the right to alter the tour itineraries due to seasonal variations, adverse weather conditions, and any other safety issues we see fit.

We can't accept any liability or responsibility for the actions of independent contractors, their employees or representatives.

Personal insurance is not included in your ticket price. We're fully insured to operate our tours, but if you lose your camera or miss your departure, then we'd recommend you're covered for that as well. Please don't lose your camera though... we want to see your pictures too.
