Learn from the best storytellers. Our driver-guides are world famous for their passion and knowledge. They take you beyond the guidebooks and into your adventure.

Explore in deluxe 16 seat mini-coaches. This means you never get lost, you have great views through large windows, and you’re free to sample the local tipple without worrying about the drive.

Support local communities. We take you to lesser-known attractions, tucked-away villages, and recommend locally-owned accommodation. And for every ton of carbon we use, we donate £10 to environmental and community projects.

Travel your way. We exclude meals and visitor attractions in your tour price. This means you can pamper yourself with a luxury meal or skip an attraction whenever you want.

Guaranteed experience. If you feel you’ve not had the experience you deserved, and we’re at fault, we’ll give you your money back.

Legendary friendliness

We’ve been delivering ‘small group tours’ since 1993 and in that time we’ve become recognised as the best at what we do. We believe that our small group tours give you more. More personal attention, more time with the locals, more time off the bus, more time on the back-roads and just more of an all-round enriching, memorable experience.

Getting you closer

Your tours, guides and mini-coaches have been hand selected to show you the best of the country. By getting off the beaten track and onto the back-roads, we get to where only the smaller tours can go - closer to the real people and local lives, past and present. Time off the bus is important too and we pride ourselves on getting you out there amongst the locals for a truly authentic experience. Your comfort is paramount so we only travel by low-emission, modern Mercedes mini-coaches. They have big panoramic windows (3 out of 4 seats are window seats), stereo systems, fully sized reclining seats (with seatbelts), air conditioning and more leg room than the average coach.

Our guides

Our guides are each hand-picked for their pride and passion for the areas they tour.

Chosen for their expertise, knowledge and ability to entertain, they will regale you with folklore, myths, history and legend. We don’t just leave this to chance - we are proud to have won many awards which are testament to how our people want to be a part of your experience. We do everything we can to ensure you get a great tour, led by a great guide, someone you know really cares about what they do and how they do it.

Caring for our environment

From the very beginning Rabbie’s was built by valuing, managing and conserving our environment. We aim to leave the legacy of our beautiful landscape for future generations to enjoy. Our tours are better than touring in your own car, and in the last 7 years we have reduced our travelers’ carbon footprint by 21%.

We make every effort to reduce our carbon footprint and since 2008 we have implemented a self-imposed carbon tax and donate £10 per tonne of carbon that we use operating our tours to environmental and charitable causes. Since 2008 we have taxed ourselves £65,203 to donate to various charities including Trees for Life, The National Trust for Scotland and Moor Trees in Dartmoor. In 2016 we donated £8,520 worth of tours for fundraising to various charitable organisations including Teenage Cancer Trust, Alzheimer Scotland, Diabetes UK & British Red Cross.
As legends go, our guide was at the very least, well... legendary!
His stories made us laugh and nearly cry at times. Stories and stops with a local touch that made our tour feel like we were part of something. And I guess we are now. I’ve got a few new numbers in my phone I didn’t have when I left this morning.”
What's your story?

Our travellers come from all over the world to tour the Rabbie’s way. Whether they’ve come from half way round the world or just down the road, we like to hear what they say about us. They tell us our small group tours give them what they want - and we encourage them to tell us, and you, why - and they do. Our open forum is a place where the people we share our days with like to share their unforgettable experiences with you.
